Password for the Online EBook Reading Platform Sora

Dear Parents and Carers,

We have found that there have been issues for many of you when trying to log in to the online eBook platform Sora. We apologise that this has delayed your child being able to access the excellent online reading resources that Sora can provide. We have clarified the password and below you can find the correct password for each year group.

Your child's login to Sora has remained the same and uses their school email address.

Username: [firstnamelastnameYYYY@abbsch.co.uk](mailto:firstname.lastname.YYYY@abbsch.co.uk)

The YYYY is the year they started at Abbotswood:

Year 6 = 2020

Year 5 = 2021

Year 4 = 2022

Year 3 = 2023

Password for Year 5 and 6: Abbotswood20

Password for Year 3 and 4: Abbots23

We sincerely apologise for the inconvenience this has caused. If you continue to have any issues logging in, please contact us via the school office.

Thank you for your continued support.

Yours sincerely,

Ms Cat Gonzalez
